

Happiness Now

Quieter, not quiet

Quieter, not quiet

We don't need to make this harder than it is

We don't need to make this harder

Unwinding my mind, trying to find the top

But the moment keeps slipping as time never stops

We don't need to make this harder than it is

We don't need to make this harder

It's already hard enough

Happiness will happen when: _____

Happiness will happen when: _____

Happiness will happen when: _____

Fill in the blank, fill in the blank

"I'll be happy when" is a game that never ends

"I'll be happy now" at least points to how

And how is a hand that can be played

Wu Wei

Wu Wei

Happiness will happen when: _____

Happiness will happen when: _____

Fill in the blank, fill in the blank

Fill in the blank, you will be wrong

There's only happiness now

Happiness now
